

# Dear God

**Lyrics By: Anna & Cory Asbury**

Dear God

I've been trying awful hard to make You proud of me  
But it seems  
The harder that I try, all the harder it becomes  
And I feel like giving up  
Most of the time

Dear God

I've been chasing their approval and it's killin' me  
And I know  
The more I try to prove  
All the less I have to show  
And I'm stuck inside my head  
Most of the time

But if I pray a little harder  
If I follow all the rules  
I wonder, could I ever be enough?

'Cause I try and try  
Just to fall back down again  
And I ask myself why  
Do I try to chase the wind?  
I should lean into the mystery  
Maybe hope is found in a melody  
So I wanna try again  
Oh, I'm gonna try again

And dear child  
I hope you know how much I love you and  
I'm proud of you  
And please believe  
The thoughts I have for you will never change  
or fade away  
And when you felt like giving up  
I never did

'Cause I'm not scared of imperfections  
Or the questions in your head  
Just know that you have always been enough

'Cause you tried and you tried  
And I saw you wrestle with  
Every how, every why  
I was right there listening  
So just fall into the mystery  
And I'll meet you here in the melody  
Try, just to try again  
Oh, child would you try again?  
My child, you can love again

## My Thoughts:

God can speak to us in so many ways, I have heard God speak in the waves of the ocean, A beautiful Butterfly fluttering around, a Day Lily Blooming, today it's the lyrics of this song.

I am not prone to depression, but I believe everyone has a day the Lyrics of this song applies. My favorite part is when God answer back. God the Father, His Son Jesus (my Savior) and the Holy Spirit is and always will be by inner most everything, without them I can not imagine tomorrow or eternity. Can you?

Look for God in the details of your ordinary day, Talk to Him as your dearest friend. He is there smiling with love and pride, as we try and try to do our best for Him.

Dear God, I love you and the person reading this devotional, touch them in away you have done in me many times. You amaze me so much. Here I am... your child.

Dear God, ... Until next time, bless, heal, protect and grow in whomever reads this, each day.  
I praise you always, Amen
