

# I Wait...

Study Verse: Micah 7:7, Lam. 3:26, Heb 6:15

**Micah 7: 7** But as for me, I will watch expectantly for the Lord; I will wait for the God of my salvation. My God will hear me.

**Lamentations 3:26** It is good that he waits silently For the salvation of the Lord. **Hebrews 6:15** And so, having patiently waited, he obtained the promise.

**My Thoughts:** Today, is hard...I pray, I search scriptures, I sit silently, I pray, I search scriptures, I sit silently, and repeat. So, here is what I found in the **process**. GOD! Lighting did not flash, thunder did not roll, I did not fall out in the spirit with visions. I prayed for God to speak what he wanted spoken, I searched the scriptures when a word came to mind, (yes, I googled it, I am not a scholar) I then asked again for God to direct me as I sit in the silence of wait.. **I WAIT**, then **I repeat the process**. I do my best to hush my words, ideas, thoughts, so that I may hear God whispering in my spirit. **I WAIT! Then I repeat the process**. The answer is clear. As I go through the process, seeking God for insight, wisdom, clarity, with careful obedience, even as I question my thoughts, I hear.. **Just start**.

This is my experience, I try very hard to take seriously the meaning and standard of INFLUENCE. I will stand before my Lord, Father God one day for what I do or do not do during my time on earth. I know without doubt that when I repent of my sin, mistakes, ignorant disobedience; to do my best to never repeat these things, I am forgiven by the grace and mercy of Jesus, but I know when I refuse to obey a direct instruction from God and hinder the move of His hand, then I will account for that, so I wait. Not so much question and demand a sign, but I do my best to follow and share what and how I hear the Holy Spirit that God placed within me speaks. The relationship between Me and the Lord may not be the same as you. Every relationship is different in some way, as are personalities, people, etc. That is the amazing part of God. He meets you where you are, and... **just starts**...each experience, each lesson, each mistake creates a relationship, a bond, faith between you and the Lord. I believe today's message is on the emphasis of a Relationship With God. A relationship often built and strengthened on 2 words. **I Wait**. The process is; as you follow the instructions of the word of God, pray, seek, and wait; you find a relationship with God that can hush the world and bring a confidence of obedience to prove God is real and Jesus is true and the Holy Spirit is alive. With the faith of acceptance as small as a mustard seed, God will fulfill His promises in me (you) through me (you) as I wait in preparation and obedience. We are the Body of Christ. Each being a tangible part that speaks, touch, walks, lifts, etc. I wait for God to speak then I just start, that I may be blessed by the promises of God.

Until next time, May God bless, heal, protect and grow in you daily, Everyone say, AMEN.
