

# *GLORIOUS SPRINGTIME!*

**Study Verse:** Genesis 8:22, Song of Solomon 2:11

*While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease. For, lo, the winter is past, the rain is over and gone; the flowers appear on the earth; the time of the singing of birds is come.*

**Thoughts:** Oh what a joy it is to see the first daffodils, jonquils, redbuds, forsythia and other blossoms popping out indicating that Spring is on the way! It lifts my spirit. I dislike the cold of winter and the dreary deadness of the trees and plants. I so look forward to Spring when the earth comesto life. God's creation is glorious!

May I share with you a little song that I sang with the other children in an Easter program many, many years ago. It seems to pop into my memory each Spring:

The little flowers peep through the ground To say to people all around,  
“You're Heavenly Father sends His love To you, and you and you!”  
The birds come back each happy Spring To say to people as they sing,  
“You're Heavenly Father sends His love To you, and you and you!”  
”The trees are dressed in gowns so new They say, “We have a message too.”  
“You're Heavenly Father sends His love To you, and you and you!”  
Let us rejoice in the beauty of the earth that God has created.

**Prayer:** Let the beauty of Jesus be seen in me. All His wonderful passion and purity. O, thou Spirit divine, all my nature refine, till the beauty of Jesus be seen in me. --Amen  
May you be blessed with joy this Springtime!

Until next time, may God bless heal protect and grow in you daily. Everyone say, Amen
