

Busy Noise

Study Verse Luke 10:38-42 ESV

Now as they went on their way, Jesus entered a village. And a woman named Martha welcomed him into her house. And she had a sister called Mary, who sat at the Lord's feet and listened to his teaching. But Martha was distracted with much serving. And she went up to him and said, "Lord, do you not care that my sister has left me to serve alone? Tell her then to help me." But the Lord answered her, "Martha, Martha, you are anxious and troubled about many things, but one thing is necessary. Mary has chosen the good portion, which will not be taken away from her."

Thoughts: Life is so noisy... Work, School, Kids, Sports, Home, Bills, Relationships, Church(hopefully is included).. Life is busy... So many expectations to meet creates stress so debilitating a person may feel failure, inadequate, anxious, and resentment.

How can life be joyful when there is no time to be joyful. When life is so busy that you can not see the absence of family and God, it is not a good place to live. Commitment is very important but not when it distracts you from God and Family. Even when it's family stuff that creates the busyness.

There is a time and place to work the land, sow the seed and harvest that you may sustain and prosper. Gods word mentions many times that we should seek Him first and that He will provide. God is a Father of abundance and He is willing to give to us the desires of the heart. If a person is overwhelmed with busy noise then how can a person hear God speak blessings upon them to receive. The world is busy noise, its good to find a place in it not be consumed by it.

Slow down, look at your life, what is the real priority. GOING, and DOING with unrealistic EXPECTATIONS that separate you from Family and GOD? Come sit at His feet, be quiet before Him, hear the blessing and encouragement of hope and love. He awaits for you to receive all He has planned for you.

Harry Chapin recorded a song titled "Cat's in the Cradle" A realistic perspective and express the true loss when consumed by BUSY NOISE. Opportunity missed that can not be replaced or relived. STOP missing out!

Until next time, may God bless heal protect and grow in you daily. Everyone say, Amen
